Chrome & Fins

Free Color Guide

American Classic Cars of the 1930s to 1950s

Here are small color pictures of all 35 designs in your book,
in the same order as the pages.

Print these pages, cut out the pictures along the lines,
and keep the one you need beside you as you color.

They are only ideas. Feel free to choose your own colors.
There is no right or wrong. Enjoy every page!

Pictures are AI-generated photographic references.
Some small details may differ from your coloring page.
